# **STRUCTURE STORM**

- Google form will be circulated for pre registration of the event.
- You have to participate in a group of three.
- It will be conducted on Google Meet.
- There will be a total of four rounds.

# **STRUCTURE STORM**

## **ROUND 1**

A total of 7 Questions will be given in pdf form they have to find the ans and locate the ans on a map and construct an alphabet.

Once they have completed they have to submit their ans to us on a given whatsapp no

First \_\_\_ no of correct ans will be taken to next round

\* \_\_\_ will be decided on no of participation

# **STRUCTURE STORM**

## **ROUND 2**

We will show movies or web series clips of different structure and they have to find a common thing between all

Same procedure of judging as in round 1

# STRUCTURE STORM

## ROUND 3

They will be given a clue and they have to decode it and go to ces Svnit Instagram page and in our structure storm poster they will get the answer

# STRUCTURE STORM

## ROUND 4

From above three rounds  
they have to combine  
all the clue and come  
up with a ans which  
will be related to the  
event

\*Ans: CES
